Does your Chef need a waiter or runner NOW? Page them discreetly and effectively with the Jtech Waiter Paging System

Jtech provides the ideal solution for Waiter Paging Communications in all food service outlets. The **JTECH WAITER PAGING SYSTEM** has been developed to provide seamless communications between kitchen and waiter staff.

The Waiter Paging System eliminates overhead paging systems, kitchen bells and the use of numbered light boards in dining and a la carte Clubs, Hotels and Restaurants.

Your staff now spend up to 75% more time on the Dining Floor up selling and attending to your diners requirements!!!! Waiters will return to the kitchen on demand basis only, after being alerted via the silent vibrating Waiter PAGER.

- Increase your **FLOOR TIME, SERVICE LEVELS & EFFICIENCY**
- **REDUCE** the need for waiters and **SAVE YOUR VALUED \$\$\$!!**
- **IMPROVE** atmosphere and environment
- **PURCHASE OR RENT** from the **MARKET LEADERS**
